

Guzel Bilyalova's Piano Lessons

Cell Phone: (504) 914-9066

Experience:

I have been giving piano lessons to children and adults for many years. I attended Kazan State University in Russia.

Lesson Times:

Students will have one private lesson each week. If the student is a beginner, the lessons will last 30 minutes each. If the student shows exceptional progress or already has some knowledge of piano, the lessons will last 45 minutes each. One hour lesson is optional and can be arranged.

Place:

Lesson will be given in my home in Destrehan, or if desired, at the students' home.

Payment:

Payments will be made monthly and are due at the first lesson of the month. If more than one member of a family is taking lessons, the second student will receive a 20% discount.

Duration of lesson	Cost (per lesson)	Monthly Cost	Monthly Cost with Family Discount
30 minutes	\$25	\$100	\$80
45 minutes	\$35	\$140	\$112
60 minutes	\$45	\$180	\$144

Materials and books:

Students will need to purchase some music books or materials.

Practice:

Practicing at home is the best guarantee that your child will show consistent progress. Please make sure that there is a 20-minute time period daily during which the child can practice without being distracted by TV, stereo, etc.

Missed Lessons:

If you are unable to attend a lesson, a notice will be required at least 24 hours before your scheduled lesson. Then, a make-up lesson will be rescheduled.

Summer Schedule:

A flexible schedule will be available during the summer based on your child's summer plans.

If you have any questions or concerns, please don't hesitate to contact me at any time. I enjoy teaching piano and will work very hard to make sure your child has an enjoyable experience learning to play the piano.
